Moon of Bethlehem

Cross-stitch pattern · Intermediate

An eight-armed star medallion inspired by the Moon of Bethlehem motif.
Stitch the central core first, then work each arm outward to keep the design symmetrical.

Thread list

- × Embroidery Red — DMC 815 (or equivalent) — 285 stitches
- ● Tatreez Black — DMC 310 (or equivalent) — 100 stitches
- ▲ Olive Green — DMC 3011 (or equivalent) — 32 stitches
- ◆ Linen Gold — DMC 422 (or equivalent) — 24 stitches

You will need

- Evenweave or 14-count Aida fabric, at least 5 cm larger than the design on every side
- Tapestry needle, size 24–26 • Embroidery hoop • Small scissors
- 2 strands of cotton floss per stitch

How to read the chart

Each square is one cross stitch. Colours and symbols match the thread list.
Bold lines mark every 10 stitches. Red arrows mark the centre of the design:
find the centre of your fabric and start stitching from there.
Work every top stitch in the same direction for an even, traditional finish.
